U.S. BANKRUPTCY COURT

**RE: CIRCUIT CITY STORES, INC., et al.,
CASE NO. 08-35653 (KRH) JOINTLY ADMINISTERED
UNITED STATES BANKRUPTCY COURT, EASTERN DISTRICT OF VIRGINIA**

Dear Sir or Madam:

We, Actiontec Electronics Inc., are writing you to express to oppose the relief requested in the objection for the total receivables of \$8,117.24 against our claim of \$18,349.38 which we filed the claim under the section 503(b)(9) of 11 U.S.C. §§ 101-1532 (the “Bankruptcy Code”) for the value of any goods sold in the ordinary course of business and received by the debtors within 20 days before Nov 10, 2008 (the “Petition Date”) (i.e., between Oct 21, 2008 and Nov 9, 2008).

As you can see the attached statement of Circuit City account, we cannot justify the total receivables (chargebacks, returns, and other amount) for \$8,117.24, and they are not related to our 503(b)(9) claim . The receivables, which is \$7,058.69 as shown on the Circuit City statement as a total credit, should be considered against to the transactions before Oct 21, 2008 since there are a lot of another unpaid invoices during the course of business, and they should not be offset against our claim. Therefore, we believe it is not logic and fair when you setoff the receivables against our 503(b)(9) claim for \$18,349.38, and we would like to request the Bankruptcy Court should overrule the Objection as to our claim.

Sincerely,

Irene Chen, Controller.
